WHEREAS, on November 17, 2021, the City Council's Economic Development and Intergovernmental Relations Committee (EDIR Committee) received an informational staff presentation regarding the completion of a Request for Qualification and Notice of Funding Availability (NOFA) round one process to increase the new construction, acquisition, or rehabilitation of housing that will provide long-term affordability (55 years or longer) to individuals and families at or below 80 percent of area median income (AMI); and

WHEREAS, the City of San Diego's first round affordable housing NOFA will include \$33,000,000 in total funding from sale proceeds of housing assets formerly owned by the Redevelopment Agency of the City of San Diego, Permanent Local Housing Allocation (PLHA) funds, and Community Development Block Grant funds; and

for construction of the Project, and a copy of the Agreement is included in the docket materials

accompanying this Resolution; and

WHEREAS, Developer has a contractual right to acquire a 99-year ground lease interest in the Property from the current owner, San Diego Metropolitan Transit System; and

WHEREAS, the Agreement requires Developer, for at least 55 years, to restrict 30 units for occupancy by households earning 30 percent AMI or less and to further restrict 69 units for occupancy by households earning 60 percent AMI or less; and

WHEREAS, the source of the City's loan to Developer will be the Low and Moderate

Income Housing Asset Fund administered by the City as housing successor to the former

Redevelopment Agency of the City of San Diego; and

WHEREAS, the City's loan to Developer for construction of the Project is an eligible use of monies in the Low and Moderate Income Housing Asset Fund; and

WHEREAS, Developer's repayment of the City's loan from a portion of the Project's residual receipts will be secured by a deed of trust recorded against the Property; and

WHEREAS, Developer's obligation to develop the Project and adhere to the long-term affordability restrictions will be set forth in a regulatory agreement and declaration of covenants, conditions, and restrictions to be recorded against the Property for the benefit of the City; and

WHEREAS, the Project is consistent with, and advances the goals and objectives of, the City's NOFA and the guiding principles in the City's Affordable Housing Master Plan; and

WHEREAS, the City Council believes that the Agreement is in the best interests of the City and the health, safety, morals and welfare of its residents, and in accord with the public purposes and provisions of applicable law; NOW, THEREFORE,
